

# Accounting Cycle Reinforcement

***50 Points Possible***

## Project Description:

Students will be reviewing the steps in the accounting cycle while completing this creative project. Using technology/creative means of your choice (but not a standard presentation), you need to visually show the steps of the accounting cycle for a service business using examples.

## Project Requirements:

- Technology/creative means
- All accounting cycle steps demonstrated
- Examples for each step
- Evidence of editing and planning of the project
- Plan submitted including proposed breakdown of tasks to be completed by each group member. (15 points)
- Groups of 2-4 students are allowed. If a large group, there needs to be evidence of enough work for all members of the group.

## Deadlines

- Project Plan: \_\_\_\_\_
- Completion Of Project: \_\_\_\_\_ unless other arrangements are made for good reason.

## Items To Be Included In Plan

This plan should be completed in a Google Doc and shared with group members and the instructor.

- Names of group members and block.
- Explanation of your project.
- Table of team responsibilities and timelines
- Professionally organized on page and free of errors.
